

The Carl Fricks Sportsmanship Scholarship *Presented by the St. Louis Sports Commission Associates*

-2023 Application Packet-

The St. Louis Sports Commission Associates – the Sports Commission’s young professionals group – seeks applications for the 2023 Carl Fricks Sportsmanship Scholarship. Created in 2009, the Sportsmanship Scholarship is presented annually to graduating high school seniors from the St. Louis region who exemplify outstanding sportsmanship and character in athletic competition. The recipient of the scholarship program’s top award in 2023 will receive \$15,000 to use for higher education expenses. An additional \$10,000 will be awarded to one or more runner-up recipient(s), with the amounts and number of awardees determined by the scholarship selection committee, for a total of \$25,000 in available scholarship funds.

The Sportsmanship Scholarship is administered by the Sports Commission and its Associates group. The Associates raise funds for the scholarship and select its recipients. Since the program’s inception, the Associates have awarded \$182,500 to 55 college-bound St. Louis area students. The scholarship is a program of the Sports Commission’s St. Louis Sports Foundation, which celebrates and elevates sportsmanship in the community.

Scholarship Criteria:

In preparing an application, please pay close attention to the following criteria and factors for consideration:

- Scholarship candidates should embody the ideals and values of sportsmanship: honesty, integrity, civility, selflessness, kindness, compassion and class.
- While off-field activities and community service are applauded, scholarship candidates will be evaluated for their approach and character in competition. Off-field activities and community service do not factor into the selection consideration, and therefore, should not be the focus of an applicant’s essay or letter(s) of recommendation.
- Examples of sportsmanship can come from anytime in the applicant’s high school career. This includes but is not limited to participation on the applicant’s high school team(s), as well as any recreational/select/travel teams or leagues and any league-sanctioned individual competition.
- The selection of the scholarship recipient is based solely on the applicant’s commitment to sportsmanship and ability to address the stated criteria within the personal essay and letter(s) of recommendation.
- The Sportsmanship Scholarship is not awarded based on financial need. Applicants should not reference their financial situation or socioeconomic background. Applicants who violate this guideline will be disqualified from consideration for the scholarship.
- **Greatest consideration will be given to applicants who demonstrate a track record of sportsmanship and respect directed at opponents, officials and the spirit of the game. Applicants and their letter(s) of recommendation should cite specific examples in which the scholarship candidate displayed selflessness, integrity, kindness and class to the benefit of a non-teammate. While encouraging and helping those within one’s team is admirable, the scholarship committee seeks candidates who transcend expectations for how one should honor the game and treat those outside their circle in competition.**
- Athletic performance (wins and other statistics) is not a factor in the scholarship selection.
- Those connected to athletic teams, such as student managers, also are eligible for the scholarship should their leadership and behavior represent an extraordinary standard and model for all in sports to follow.

Applicant Eligibility Requirements:

- Must be a graduating high school senior.
- Must attend a high school in the St. Louis metropolitan area (Illinois counties: Bond, Calhoun, Clinton, Jersey, Macoupin, Madison, Monroe, St. Clair; Missouri counties: Franklin, Jefferson, Lincoln, St. Charles, St. Louis City, St. Louis County, Warren, Washington).
- Must not be attending college on a full scholarship. Students receiving partial scholarships are eligible.

Required Application Materials:

Sportsmanship Scholarship recipients will be selected by members of the St. Louis Sports Commission Associates' Scholarship Committee. Before consideration, each applicant must provide to the committee the following documentation:

- Fully completed Sportsmanship Scholarship Applicant Form (attached).
- At least one, but no more than two Sportsmanship Scholarship Recommendation Forms (attached) each with a letter of recommendation from a coach, athletic director, teacher, school administrator, fellow student, teammate or opponent attesting to the applicant's outstanding sportsmanship (the second recommendation is optional and will in no way count against the applicant if only one is submitted).
- **A personal essay from the applicant in 350-500 words (typed, single-spaced and in multiple paragraphs) describing why he or she is deserving of the scholarship and addressing their commitment to sportsmanship.** The applicant is encouraged to articulate the importance they place on sportsmanship and share examples of when they have demonstrated extraordinary character in sports.

All scholarship recipients will be asked to attend the Sports Commission's Board of Directors meeting, at which time they will be introduced and recognized. The meeting takes place at 7:30 a.m. on May 4, 2023.

The selected scholarship recipients will be required to provide a final transcript from their high schools verifying graduation. Scholarship funds cannot be released until this requirement is met.

Important tips for applicants:

1. Please make sure your **completed** application is submitted by April 10, 2023. **Extensions cannot be provided for application forms, personal essays or letter(s) of recommendation.**
2. Proofread all of your materials. This includes your letter(s) of recommendation. There is no penalty in the application process for asking those who write letters on your behalf if you and your parents can read them before submission. It is important for your essay and letters of recommendation to show you at your best.
3. Ask questions. If there is something related to the application form, essay, letter(s) of recommendation or anything else, please email salexander@stlsports.org or call 314-345-5130.
4. Leave out the stats. You may lead your team in points, your district in touchdowns or the state in home runs. None of this matters when the scholarship committee assesses how you treat others. Sure, you can write about the big game against your main rival in your essay, but instead of providing your stat line, give more information about the lifeline you extended to someone else.
5. Use proper spelling and grammar. To make the best presentation, be sure to avoid using text language.
6. Please include your best recommendation letters only. The selection committee emphasizes quality over quantity due to the high volume of applications we receive.
7. Please send only one copy of your application. Multiple copies of the same application create unnecessary waste. Everyone should be good sports toward the environment, too.
8. **No applications will be accepted in-person. For your safety and the safety of our staff, please do not drop off applications at the Sports Commission offices.**
